## ALL INDIA RETIRED JUDGES ASSOCIATION

### ONE-DAY CONFERENCE AT NEW DELHI

on 23.07.2011

The following important matters were deliberated and re-iterated for  
general circulation

#### PART - A

#### Legal Commitments

1. In order to streamline the Indian justice dispensation system, there should be a Supervisory Control of the Supreme Court over the State High Courts.
2. There should be uniformity in the working of the State High Courts (through abolition of Original Civil Jurisdiction, as per recommendation of Justice Shetty Commission and other appropriate measures) in order to obtain better results for the long suffering litigant citizenry.
3. Because of long experience of judicial service, the retired Officers of District Judges cadre, on joining the Bar, should be designated as Senior Advocates by the concerned High Courts.
4. In lower Judicial Courts (State Judiciary) each working Saturday should be earmarked for dictation work in order to provide the Trial Court judges to have proper rest on Sundays.

5. The proposals regarding designation of Administrative Judges at District level and constitution of District Committees as proposed are suitable pragmatic basic reforms in the working of the State Judiciary.
6. There should be a rational increase in budgetary allocation for the judiciary as per observation / recommendation of Justice Shetty Commission in its Report (year 2005) relating to the Supporting Staff of judicial courts.
7. The Judicial <sup>Services</sup> Officers' Tribunal should be constituted at the earliest, as proposed.
- 7-A. The Judicial <sup>Services</sup> Officers' Grievances Redressal Commission should be made functional at the earliest, as proposed.
8. The elevation quota for District Judges should be increased to 75% as proposed, from the present arbitrary level of 33%.
9. There should be transparency in the methodology pertaining to elevation / selection of High Court and Supreme Court judges, as proposed.
10. There should be time-bound filling up of vacancies at all levels in the judiciary, as proposed.
11. An eligible District Judge should be promoted to a High Court bench even with a balance tenure of one month, on the analogy of the appointment of the Hon'ble Chief Justice of the Supreme Court, as also reiterated in a Resolution dated 04.01.2008 of the Delhi Bar Association. This is contrary to the provisions of the Constitution of India.
12. Advocates selected for a High Court bench should not be posted in the same High Court where they had been practising, as recommended by 230<sup>th</sup> Report of the Law Commission of India.

13. There should be improvement in the service conditions / retiral benefits of the Supreme Court and High Court Judges, as proposed.

**PART - B**

1. To generate public awareness and initiate effective steps to root out the inhuman malpractices regarding Female Foeticide and Female Infanticide.
2. To propagate general awareness about the vital necessity to conserve national water resources and adopt Rain Water Harvesting schemes, with particular reference to the Judicial Complexes and Government Buildings.

**Demonetisation**

*Six lessons to be learnt  
from currency invalidation:*

1. Change is sudden
2. Value can be lost in a second

4. Small is big
5. Source matters
6. Plan ahead

**Music Yatra**

*When we surrender to  
the journey of music we lose  
ourselves in the notes of  
perfection. It is like talking  
to your soul. It is an inner  
communion - which you are  
trying to communicate.*
